Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Friday 26 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold and very windy overnight into Saturday. Snow over hills.

This Evening and Tonight:
Becoming very windy overnight. Cold with outbreaks of rain, sleet and snow, heavy at times spreading south across the region. Snow mostly over hills, but perhaps to some lower levels away from the coast by the early hours. Minimum temperature 0 deg C (32 deg F).

Saturday:
Very windy and cold with outbreaks of rain, sleet and snow, gradually becoming more confined to the east through the day. Snow mostly over hills. Maximum temperature 6 deg C (43 deg F).

Outlook for Sunday to Tuesday:
Still some coastal showers possible for Sunday, otherwise bright and less windy but cold. Monday, bright and cold to start but turning cloudier and milder into Tuesday with some rain.
